**ARGUMENT/REMARKS**

The examiner has stated that the application is in condition for allowance except for the following formal matters:

The examiner states in claim 5 on line 2 it appears that "there" should be "their" while on line 11 it appears that "purse" singular should be "purses" at the first occurrence. The examiner also wishes that before the words "of the" the words "inner sides" on line 17 should be inserted. On line 19 of claim 5 it appears that "attach" should be "attached". In paragraph E on line 25, the word "the" should be inserted before "inner pouches" and "are" should be inserted after. On line 28 of claim 5 it appears that commas should be inserted between "medicine" and "brushes" as well as between "jewelry" and "a water". One line 29 of claim 5 it appears that puch is misspelled. Applicant has changed the "puch" to "pouch". Applicant has made all the changes as requested by the examiner and now as to claim 5 believes that the application is in condition for allowance.

The examiner goes on to state in the remaining claims 6, 8, 9, 20, 21 and 23 it appears that "system" should be inserted after the word "purse" on the first line, to be consistent with claim 5. Furthermore, since in claim 5 applicant has changed housing to purses, it appears that "purses" should be

substituted for housing in claims 6 and 20. Applicant has made these changes and now believes the application is in condition for allowance.

The examiner goes on to state that claims 5, 6, 8, 9, 20, 21 and 23 would be allowed upon correction while claims 1 through 4, 7, 10 through 19 and 22 have been cancelled. Applicant has corrected claims 5, 6, 8, 9, 20, 21 and 23 as the examiner has recommended and has cancelled claims 1 through 4, 7, 10 through 19, and 22.

In view of the above it is submitted the claims are in condition for allowance. Applicant has made all the changes as recommended by the examiner. Allowance of claims 5, 6, 8, 9, 20, 21 and 23 at an early date is solicited.

Respectfully submitted,
